

Table B: The successful applicant should have 18 credits (6 courses / 240 hours) in TESL/language acquisition theory, TESL methods, and English structural linguistics. There are other courses than can be used and they are in the following table.

3 courses must be:	2 courses could be:	1 course could be:	Total credit courses to obtain accreditation: 6
Minimum 9 credits (3 courses or 120 hrs.) in TESL/ language acquisition theory, TESL methods, and English structural linguistics.	6 credits (2 courses /Max 80 hrs.) Education foundations, Adult education, Special Education (with relevance to EAL learning) or Counseling	3 credits (1 course /Max 40 hrs.) in Anthropology, Indigenous education, second language acquisition in a language other than English, Psychology, or Sociology (specifically addressing language or cultural issues)	Total credit courses to obtain accreditation: 6
The above courses are a must.	If not enough TESL courses, any of the above courses could be used (up to 2 courses).	If not enough TESL courses, any of the above courses could be used (up to 1 course).	Note: Under certain circumstances, for example, when a transcript does not make clear the status of a course as TESL-specific, we will accept such items as Master's thesis, etc. as proof of relevance. Please contact the Accreditation Committee via the TESL Board Assistant, in advance, if you believe that you may need to provide such supplementary documentation.

Need More Information?

If you have any questions about the process, forms, or your qualifications, please contact the TESL Sask Board Assistant, who will refer you to an Accreditation Committee member. Email: teslsask@gmail.com
