

## Refugee Rights Day: Take **Act!**on

BC TEAL invites you to join our campaign!

Tuesday April 4, 2017 has been identified as Refugee Rights Day by the Canadian Council for Refugees and Amnesty International Canada. BC TEAL is pleased to offer an EAL **Act!**on campaign that starts with you and your learners!

We invite all EAL classrooms (large and small, formal and informal, Public Education, Continuing Education, Post-Secondary Institutions, Language Instruction for Newcomers to Canada (LINC) and International Language Schools) to incorporate some short (multi-level) classroom activities on April 4, with the goal of promoting diversity, community and inclusion for Refugee Rights Day in Canada. To download, please visit [RefugeeRightsDay.bctéal.com](http://RefugeeRightsDay.bctéal.com)

BC TEAL will be hosting opportunities for discussion and reflection that include:

- A noon hour Tutela webinar (12-1 pm, Pacific Daylight Time) with EAL colleagues nationally joined by Amnesty International Canada and the Canadian Council for Refugees;
- An evening Tutela webinar (7-8 pm PDT) with Taslim Damji, Intercultural Specialist from MOSAIC Works and Refugee Rights Day materials developer;
- Opportunities to connect and reflect on the day through social media.

We are looking forward to celebrating inclusion, community and diversity in EAL classrooms with you!
